

## AUSTRALIAN VETERAN CYCLING CHAMPIONSHIPS

### TIME TRIAL BISHOPSBOURNE FRI 9 NOV

80 competitors, ranging from 39 to 82 years of age, took part in the opening event of the championships. The weather was fine and cool but the out and back 25 kilometer course had a strong headwind on the return section of the course which made for hard racing conditions.

Competitors were racing for medals in five year age groups and overall for the Mockridge Cup, which is for the rider who has the best time compared to National age group standards. Age group winners were announced at the venue but the Mockridge Cup and fastest times winners will be announced at the Championship dinner on Saturday night.

The Championships have attracted 137 entrants from all states and territories, excepting the NT. Racing continues tomorrow with the Road Race at Bishopsbourne over varying distances from 96 to 35 kilometers. The Championships conclude with a Criterium at Carrick on Sunday.

Individual times are being checked and will not be available until early tomorrow morning, but will be posted on the web site asap.
